

**2022-2023 FALL SEMESTER COMPUTER ENGINEERING COURSE SCHEDULE**

| <b>Program / Semester</b>                         | <b>Course Name</b>  | <b>Required/Elective</b> | <b>Day</b> | <b>Hours</b> | <b>Classroom</b> | <b>Format</b> |
|---|---|--------------------------|------------|--------------|------------------|---------------|
| Computer Engineering With Thesis / Semester I     | Current Topics in Computer Engineering                                      | Required                 | Monday     | 18:45-21:30  | 304              | Face to Face  |
|   | Computer Ethics   | Elective                 | Tuesday    | 18:45-21:30  | 304              | Face to Face  |
|   | Image Processing  | Elective                 | Wednesday  | 18:45-21:30  | 304              | Face to Face  |
|   | Information Retrieval   | Elective                 | Thursday   | 18:45-21:30  | Online           | Online        |
|   | Cryptology  | Elective                 | Friday     | 18:45-21:30  | 304              | Face to Face  |
| Computer Engineering With Thesis / Semester II    | Seminar   | Required                 | Monday     | 18:45-21:30  | 304              | Face to Face  |
|   | Computer Ethics   | Elective                 | Tuesday    | 18:45-21:30  | 304              | Face to Face  |
|   | Image Processing  | Elective                 | Wednesday  | 18:45-21:30  | 304              | Face to Face  |
|   | Information Retrieval   | Elective                 | Thursday   | 18:45-21:30  | Online           | Online        |
|   | Cryptology  | Elective                 | Friday     | 18:45-21:30  | 304              | Face to Face  |
| Computer Engineering Without Thesis / Semester I  | Current Topics in Computer Engineering                                      | Required                 | Monday     | 18:45-21:30  | 304              | Face to Face  |
|   | Computer Ethics   | Elective                 | Tuesday    | 18:45-21:30  | 304              | Face to Face  |
|   | Image Processing  | Elective                 | Wednesday  | 18:45-21:30  | 304              | Face to Face  |
|   | Information Retrieval   | Elective                 | Thursday   | 18:45-21:30  | Online           | Online        |
|   | Cryptology  | Elective                 | Friday     | 18:45-21:30  | 304              | Face to Face  |
|   | Competency Course (Knowledge and Power or World Cultures and Globalization) | Elective                 | Saturday   | 11:00-14:00  | Online           | Online        |
| Computer Engineering Without Thesis / Semester II | Computer Ethics   | Elective                 | Tuesday    | 18:45-21:30  | 304              | Face to Face  |
|   | Image Processing  | Elective                 | Wednesday  | 18:45-21:30  | 304              | Face to Face  |
|   | Information Retrieval   | Elective                 | Thursday   | 18:45-21:30  | Online           | Online        |
|   | Cryptology  | Elective                 | Friday     | 18:45-21:30  | 304              | Face to Face  |
|   | Competency Course (Knowledge and Power or World Cultures and Globalization) | Elective                 | Saturday   | 11:00-14:00  | Online           | Online        |
